Review of Gerald Brown Membership Suspension

Mr. Gerald Brown requested a review of the suspension of his membership from the Boy Scouts of America after criminal charges of aggravated criminal sexual abuse and aggravated criminal sexual assault were dropped.

The Review Committee investigated the case and determined that there was sufficient reason to believe that Mr. Brown did engage in sexual activity with a minor. Therefore, it was determined that Mr. Brown does not meet the leadership standards of the Boy Scouts of America and should not be reinstated.

A 16-year-old Kankakee boy out on bond in connection with a sexual assault about two months ago was arrested Wednesday for the rape Tues-

Man arrested after attack of teen-ager

Gerald L. Brown, 38, RR 2, St. Anne, was arrested Wednesday evening for aggravated criminal sexual assault in connection with the rape of a 15-year-old Kankakee girl.

The girl told Kankakee County Sheriff's police that she was raped by a 38-year-old St. Anne man at about 8 p.m. Wednesday at some sand hills near Cable Line Road near Wichert in St. Anne Township.

The attack occurred, the girl told police, after the man told her he was going to stop at a friend's house while en route to St. Anne.

Instead of stopping at the friend's house, he turned into a wooded area, stopped the car and turned off the engine.

The girl said the man then opened the glove compartment of the car and removed a white piece of paper, exposing a leather-like case about 6 inches in length that contained a knife. She said the offender then closed the glove compartment, grabbed her and raped her.

The victim said she had met the man at the home of a relative in St. Anne a few weeks ago and that he gave her a ride on his motorcycle and told her that, if she ever needed a ride, to call him.

The girl said she called him Wednesday evening and asked her to drive her to St. Anne to visit her boyfriend.

The man picked her up in a car at a service station on Court Street near Washington Avenue about 7:30 p.m. and drove her to the Wichert area, where she said she was attacked.

According to the girl, the man told her after the rape that he would give her some money not to tell anyone about the incident but she refused. She said he then dropped her off near the home of one of her relatives in St. Anne.

day of a RR 2, St. Anne woman at a home in the 200 block of North Washington Avenue.

The boy, arrested at his home in the 100 block of North Greenwood Avenue at 3:11 p.m., is now being held in the Kankakee County Detention Center on \$250,000 bond.

The rape of the St. Anne Township woman Tuesday occurred about the same time that another woman was sexually assaulted in the 500 block of North Washington Avenue by an assailant having the same general description as the 16-year-old boy, according to police.

Kankakee police, however, said the 40-year-old victim in the first incident was not able to get a clear look at her offender.

According to police, the rural St. Anne woman had noticed the door to her mother's home on North Washington Avenue was ajar. When the woman entered the home to investigate, she was grabbed from behind, dragged into a bedroom and raped.

Kankakee County State's Attorney William Herzog said that the bond on the earlier sexual assault charge was \$15,000. That meant that the boy had to post \$1,500 in cash or property to obtain his release from jail at that time.

Three arrested in connection with car thefts

By Jennifer Hays Huggins
Journal writer

Three Florida residents were being held by Bourbonnais police today after their arrest in connection with the theft of a 1988 Suzuki Samari in Sarasota, Fla., and failing to pay for \$10 of gasoline from the Shell Food Mart in Bourbonnais.

Felix Vermette, 17, and two juveniles, all of Sarasota, were arrested shortly after 7 a.m. today on Interstate 57 near Manteno and charged with possession of a stolen automobile and theft.

Vermette, the driver of the car, told police he was en route to Chicago to pick up his girlfriend who had recently moved there. She did not adjust well to her new surroundings and wanted to return to Florida, he said.

After leaving the station on North Convent Street in Bourbonnais, the trio was stopped on the interstate
